For your convenience, the business illustrations are placed alphabetically around the perimeter of the map, starting in the upper left corner and moving counterclockwise. The numbered red circles on the map are in numerical order, from left to right.

This beautiful, hand-drawn map is intended to help vacationers find their way to Charleston's best restaurants, golf courses, tour companies, etc. While it will help those unfamiliar with the area find their way around Charleston, it is not a complete or detailed street map. If you have any questions as to the exact driving directions to any of the businesses that appear on the map, please call the phone number at the end of each establishment's write-up in the Guest Guide, which begins on page 10.

Page's Okra Grill is moving in June, 2011 from 794 to 320 Coleman Blvd. Call 843.881.3333 or visit pagesokragrill.com to confirm location.

The City of Charleston provides an excellent map of the parking garages available in peninsular Charleston. The Web address is www.charlestoncity.info. Under "Quick Find Resources," click on "Common Map Requests," and there is an option for "Charleston Peninsula Parking."
